- For CommBank Neo cards, the monthly fee is charged at \$12 per month for a \$1,000 credit limit, \$18 per month for a \$2,000 credit limit and \$22 per month for a \$3,000 credit limit. If you don't have any processed transactions in a given statement period and pay your previous statement closing balance in full by the due date, you won't be charged a monthly fee for that statement period.
- For CommBank Essentials and CommBank Neo cards, cash advances will be blocked. Exceptions apply, as we are unable to block cash advance transactions that are not sent to us for authorisation and these will attract interest from the date the transaction is made, until it is repaid. For CommBank Neo, these will not incur any additional fees or interest charges.
